File No. Molasses II/43

Gen. 194 e.

332-K

Office of the R.L.A.

A revised draft notification is sent herewith.

2. Section 4 of the Bombay Molasses Act, 1942, empowers the Provincial Government to appoint any person to exercise all the powers and perform all the duties conferred and imposed by the Act on a Collector. The larger power conferred by the section to delegate all the powers and all the duties of a Collector under the Act to any person includes the lesser power to delegate some of the powers and some of the duties conferred and imposed on a Collector. There is therefore no objection to appointing the Commissioner of Police under section 4 of the Act to exercise the powers and perform the duties of a Collector under sections 9, 15 and 16 only. Similarly there is no objection to appointing the Deputy Commissioner of Police to exercise the powers and perform the duties of a Collector under sections 15 and 16 only.

3. The R.D. draft notification appoints the Deputy Commissioner of Police to exercise the powers and perform the duties conferred and imposed on a Collector under section 16 only. But the Deputy Commissioner cannot exercise those powers or perform those duties unless the duty implicit in section 15 to receive the molasses or any other article seized and forwarded to him undet that section is imposed on him. The revised draft notification therefore includes in the case of the Deputy Commissioner of Police section 15 also.
